INTRODUCING BROWNWOOD FARMS APPLE RIESLING SALSA
Chateau Grand Traverse Riesling adds sweetness to homemade recipe

TRAVERSE CITY, MICH., NOV. 5, 2008 – Brownwood Farms, a northern Michigan producer of premium food products, introduces a new addition to its product line, Apple Riesling Salsa, made with award-winning Chateau Grand Traverse Riesling.

Using fresh ingredients, the new salsa blends sweet and spicy flavors to create a balanced taste to fit any palate. The sweetness of the apple and Riesling comes through first, followed by the spicy kick of jalapeños. It makes for a delicious dip, glaze or spread and pairs unbelievably well with pork, ham and chicken.

“Northern Michigan has so many fantastic local products, that we wanted to incorporate more of those local flavors into what we offer,” said Jeff Hughes, owner of Brownwood Farms. “Chateau Grand Traverse Riesling was just a perfect match for this salsa recipe.”

The Apple Riesling Salsa and all other Brownwood Farms products are available to order online at www.brownwoodfarms.com.

“The salsa is just the beginning,” said Hughes. “We have several new releases on the horizon that will be just as exciting and delicious.”

Firmly rooted in northern Michigan, Brownwood Farms began in 1945 as a restaurant, providing its original Honey and Cherry Butter as condiments. Introduced in the 1950s, the addition of Kream Mustard led to the opening of a production facility in Williamsburg, Michigan. The Brownwood Farms product line has since expanded to include more than 30 selections and is offered in retail stores from the Midwest to Florida and California. Brownwood Farms products

have been featured in *Fancy Food & Culinary Products* magazine and honored with Napa Valley Mustard Festival awards. For more information on the complete product line visit www.brownwoodfarms.com.
